

Malaysia's Leading Fire Door & Digital Door Lock Supplier & Installer

Enhance our service to a higher level, providing a comprehensive and perfect solution to our valued customers

OUR STRENGTH

Experienced and well-trained team

Our team's experienced consultants, fire door and digital lock installation professionals and well-trained contractors are licensed, insured and background checked for your peace of mind.

Certified and licensed product

Our fire rated door and digital door lock gets the license from the Fire and Rescue Department of Malaysia (commonly known as BOMBA) and the Scientific and Industrial Research Institute of Malaysia (SIRIM) so we can support large development project.

One-to-one consultation

No extra charge for consultation. We use the understanding of the client's overall goals to analyse the strengths and areas that need to improve based on their current situation, assisting them choosing the best fire door or digital door lock solutions to achieve their business goal.

Construction site survey for project

We always willing to go through a site walk and interview with the project developer or related professionals to consult and tailor the best fire door and digital door lock solution in order to meet their business, project and construction needs.

Wide service coverage area

Our fire door and digital door lock installation service is covered in whole Malaysia eg. Penang, Selangor, Kuala Lumpur, Johor and so on so customers can rest assured to get the best pre-sales service and after-sales service anywhere.

CIDB License

We are also registered contractors and hold a valid certificate of registration issued by Construction Industry Development Board (CIDB). We employ Malaysia local supervisors/workers to execute the high contract value project.
